re: Accredited Training Organization Approval

Dear Mr. Strozzi,

Congratulations! Your organization has successfully met the requirements of the International Association for Six Sigma Certification™ to be designated an Accredited Training Organization for your Black, Green and Yellow Belt programs. This accreditation is issued for a period of two years from the date of this letter.

This accreditation says to the world your training program meets the standards established by IASSC™ such that those who participate will be given the full opportunity to achieve certification as Lean Six Sigma practitioners by IASSC™.

Please respect this achievement and assist in IASSC™ maintaining meaningful, high standards. In that regard please utilize the attached IASSC Marks in a manner consistent with the IASSC Marks Usage Policy and follow the procedures described therein.

Best wishes,

Robert E. Shank
Managing Director
