

Plant Tour 5

Tokai Shinei Electronics Industrial Co., Ltd.

The Genba Kaizen implemented by means of effective cleanings and 5Ss implementation are the Key Success Factors in this organization.

Mr. Tanaka, President of the company, promotes three principles to boost people development: “Exchanging greetings”, “Cleaning the workplace” and “Placing shoes tidily before wearing slippers to enter in the factory”. The company has also implemented a Visual Information System available for all the resources in order to encourage Participative Management.

It will be possible to see first hand outstanding **TPS implementation in the offices.**

Agenda

- Company overview by Mr. Tanaka (President)
- Production lines and offices tours
- Q&A Session

TOUR GOALS:

- ✓ **Appreciating the Clean Management approach as a leverage for efficiency**
- ✓ **Seeing first-hand a Participative Management and TPS implementation in the offices**
