

# Plant Tour 6

## OMRON Kyoto Taiyo

Omron Kyoto Taiyo, in partnership with Japan Sun Industries, has created job opportunities for people with disabilities under the motto *"Not charity but a chance"*, achieving a user-friendly work environment where people with disabilities can have better chances of achieving a fulfilling social life.

The company philosophy is to boost the potential of disabled people and enhance their skills and competences by providing mechanical aids, including supporting equipment and tools as well as kaizen in their working environment.

### Agenda:

- ✓ Company Overview and examples of low cost automation
- ✓ Plant tour
- ✓ Final round table and Q & A session

### SITE VISIT GOALS:

- ✓ Valuing productivity and disability as distinctive qualities of an outstanding company
